

## LEASING OF TOWER FARM HORSES AND PONIES

Some horses and ponies are available to lease all year round. Leasing is a great way of experiencing a lot of time with a horse/pony but without the added worry of vet's bills, insurance, worming, shoeing and other costs.

Cost of Leasing – £60 per week – payable in advance. All leasing must be done for a minimum of 8 weeks.

The leaser can ride on 5 days of the week – mutually arranged. Due to our commitments we may need to give you a substitute horse due to common rides or horse holidays.

- The horse can be used for up to 8 hours a week by Tower Farm, this is arranged between the leaser and tower farm.

The horse will have 1 day off, 1 day for your sole use and then be used by Tower Farm/yourself at other times.

- The lease horse must only be ridden within certain hours and when a member of staff is around in case of any accidents/problems. Monday -5pm, Tuesday – 9.15pm, Wednesday – 9.15pm, Thursday – 5pm, Friday 5pm (unless competitions on) Saturday – 5pm and Sunday -4pm.

- No lease horse is to leave the premises unless Debbie has given prior permission. Although you can join any BR or TR that is already going out free of charge.

- If the horse is not being used later in the day it is your responsibility to return them to stable/field and make sure they are safe and comfortable for the night ( all tack rooms must be locked up if nobody else still riding)

- Lease horses must not be shared with other people under any circumstance

- If you wish to have a lesson you pay 'livery' rate.

- If you wish to compete in any of the shows being held at Tower there is no 'hire' charge although you still need to pay all the entry fees

- The leaser must have their own 3<sup>rd</sup> party liability insurance although we strongly recommend having a rider cover insurance policy as well.
